## TRADITION IN LEATHER, INNOVATION IN DESIGN

For over 25 years, at Badanas we transform leather into unique pieces that combine *craftsmanship, functionality, and design*. We specialize in manufacturing personalized items for brands and companies that value authenticity and good taste.

[www.badanas.com.mx](http://www.badanas.com.mx)

## MATERIALS

The type of material we use to manufacture our products is 100% from Mexico, with the intention of supporting local consumption. \*The color may vary between the photo and the physical product\*
